MEET OUR NEW BOARD MEMBER

Becki Clark

Proud Air Force brat

Board Role: Secretary / Historian

What do you enjoy doing in your leisure time?

Becki: Decorating, thrifting, organizing, projects at home and just being at home (I'm a homebody!), day dates in the new "old" truck, spending time with my family, my dogs, and friends.

What got you involved with BHF?

Becki: We attended a Welcome Home 11 years ago and I left knowing that I needed to be a part of Badger Honor Flight, to give back for the life I got to have growing up in the Air Force. I started volunteering for the next flight!

What do you enjoy most about volunteering with BHF?

Becki: LITERALLY EVERYTHING! But if I had to pick just one thing, it is getting to serve our Veterans. To see the joy, healing, happiness, and relief on their faces on their flight day is humbling and lifechanging. BHF has been life changing for me and my family. The family joke is if you ask Becki about BHF, you better have a few hours to spare because there is no stopping me once I start talking about it.

What are you most excited about doing during your term?

Becki: The opportunity to learn so much more about BHF, the behind the scenes and help make decisions that will give our Veterans their trip of a lifetime. I am excited to serve with an amazing group of people who I am very lucky to call my fellow board members but also my friends.

MONTH IN REVIEW HIGHLIGHTS

The end of December marked the end of our partnership with Milio's Local Matters Campaign. Thank you to everyone who went to Milio's in October thru December and supported Badger Honor Flight!

MEET OUR NEW BOARD MEMBER

Ed Brown

Army Veteran - Military Police

Board Role: Treasurer

What do you enjoy doing in your leisure time?

Ed: Spending time with my grandchildren and/or attending their school and sporting events. I'm an avid Badger and Brewer fan, so attending games, especially when I can take one or more of the grandkids, is a priority.

What got you involved with BHF?

Ed: I decided to get involved because of the reactions of several friends and a family member who were on flights this past year. I recently retired and was looking for someplace to volunteer my time and talents that would be rewarding to me as well as the organization and the individuals it serves.

What do you enjoy most about volunteering with BHF?

Ed: The opportunity to meet fellow veterans and volunteers and to help in any way that I can.

What are you most excited about doing during your term?

Ed: In no particular order, continuing the good work done by my predecessors; looking for ways to assist other board members and volunteers - what can I do to make their work easier or smoother; serving our veterans.
