## CALLING ALL VOLUNTEERS

Ever wonder what goes into an unforgettable successful flight day experience? Well, the key to making it extraordinary starts with Guardian Training. But what is Guardian Training?

**Guardian Training / Veteran Meet and Greet** is a one-day event for all Veterans and Guardians gearing up for an exciting flight season. They are able to meet some of the incredible volunteers, flight and medical team members, get all their questions answered, grab their exclusive flight day gear (plus indulge in some BHF swag shopping), and share incredible stories with their fellow Veterans and Guardians. It's an one-of-a-kind event that sets the stage for an unforgettable journey.

But here's the twist: All Guardians must complete the mandatory training on this day to accompany their Veterans. It's not just about rules; it's about becoming a superhero Guardian, complete with all the do's and don'ts on the flight, as well as complete stair and wheelchair training!

**WE WANT YOU!**

### ***Where do you come in?***

Volunteers are needed in administration, merchandising, and on the grounds directing the day's traffic. Without you, we cannot make this day possible.

Volunteers will be needed from 7 AM – 2:30 PM on Saturday, March 2.
