## Serving Those Who Served for **US**

### ***10th Annual Larry Satterlee Memorial – Badger Honor Flight Clay Shoot Fundraiser***

Badger Honor Flight hosted their 10th Annual Larry Satterlee Memorial Clay Shoot fundraiser this past Monday at Milford Hills. The BHF Clay Shoot began in 2013, thanks to Tim Luetzow, who organized the first event with only 17 shooters. Larry Satterlee and Terry Phillips (who oversees the event now) were among those participants and soon approached Tim with a vision to grow the event. This year's event saw an impressive turnout of 224 shooters; a real testament to the hard work and dedication of everyone involved.

Hosting such a successful event requires significant effort. Planning for the clay shoot begins each January, as the team reaches out to returning sponsors and teams once the event date is established. They work diligently throughout the year to gather additional sponsors and donations, always securing our October date at Milford Hills. The committee meets bi-monthly to ensure everything flows smoothly toward success. It took 8 committee members and 54 volunteers, along with numerous Milford Hills employees, to ensure everything ran smoothly. The day was filled with excitement, featuring a gun raffle, Vortex raffle, meat raffle, and a general raffle with over 100 donated items. We are grateful for our generous sponsors who make this possible.

Larry Satterlee, a Vietnam War Navy Veteran, was deeply passionate about Badger Honor Flight and its mission. As Larry faced terminal illness, the BHF committee made the touching approval to name the event in his honor. Close friends and co-workers of Larry had the privilege of visiting Larry at the VA Hospital to share the news, a moment filled with tears as he expressed, "I have such great friends." Sadly, Larry passed away just two days later, leaving a lasting legacy of friendship and service. Larry's widow, LaDon, remains close friends with the committee members and continues to support the event, exemplifying the strong bonds formed through this endeavor. As we reflect on this year's clay shoot, we celebrate Larry Satterlee's memory and the incredible community that rallies together to honor our Veterans.
